

Please Support our Junior High School

## JOIN THE EGAN PTA!

The Egan Parent Teacher Association (PTA) is a group of parents and educators dedicated to enhancing the education of students at Egan Junior High. Our goal is to maintain our school's high-quality and well-rounded educational programs in the face of limited funding from the state. Please join us! **The Egan PTA sponsors programs that support:**

- **Egan School** - The PTA pays for computers in the classrooms and the computer lab, library materials and books, science and multimedia equipment, physical educations equipment, emergency preparation supplies, and landscaping improvements.
- **Egan Staff** - The PTA provides monetary stipends to Egan teachers, the student counselor, and the principal to be used for classroom supplies and materials.
- **Egan Students** - The PTA supports the elective program, Egan's student chorus, the Spring Fling talent show, the student directory, and school-wide assemblies. We also subsidize students who need financial assistance for field trips, PE uniforms, and hot lunches.
- **Egan Parents** - The PTA maintains the Egan website, and sponsors parent education seminars during the school year.

To finance these programs, the Egan PTA sponsors limited fundraisers during the year, including the school's Hot Lunch program and eScrip. In addition, **PTA membership donations above the \$10 membership fee are an important source of our funding.** We greatly value the participation of all Egan families and hope every family will join the PTA this year.
