

Egan Sports Boosters

Egan School
100 West Portola
Los Altos, CA 94022

Dear Parents,

Egan has a wonderful after-school sports program run by the Los Altos Recreation Department. This after school program provides opportunity for Egan students to experience a variety of sports, interschool competition, team play and sportsmanship.

Egan Athletic Boosters is a parent organization that supports these after-school athletics programs by contributing funds toward uniforms, equipment, transportation, scholarships or wherever needed. **Your contribution to Egan Boosters is critical to the success of our coaches and student athletes.**

Please consider joining Egan Boosters. Your contribution is greatly appreciated.

Thank you and Go Egan!!
