

EGAN VOLUNTEER OPPORTUNITIES

Volunteers at Egan make possible the many programs and activities that enhance the school experiences of all our children. In addition, volunteering lets your child know you value education, gives you the opportunity to see your child in his or her daily environment, and allows you to connect with other parents. Please consider joining us!

Please provide information on how to contact you, and indicate which committees, projects, and events with which you can help. You can return this form on Schedule Day, August 15, or turn it in to the Egan office. You can also find out more about volunteer opportunities at the PTA Parents Coffee on August 20. If you have any questions, please contact Claire Rigodanzo at crigo@pacbell.net or Kathy Campitelli at Kathy@Campitelli.com.
