

Youth Community Service (YCS) is a wonderful family resource here in Palo Alto. Through a wide range of opportunities, this wonderful non-profit works collaboratively with our schools and many agencies to give kids and families many unique experiences that are both fun and deeply meaningful. YCS is a great way to make friends, explore different life-experiences—and make a positive difference, for your family—and for others too! www.youthcommunityservice.org

“Service Learning? What’s that?”

“I’d like my child to learn more about helping others, but I’m not sure how to start...”

“Our family would like to be of service to our community. Where do we begin?”
